2016 Wrap up

2016 was a busy year for fundraising at KHPS, with the school's 40th anniversary celebrations. We had a successful year and raised over \$20,000, which has contributed to the new playground and the refurbishing of the sandpit in the prep play area.

2017 Fundraising Organisation

In 2017, the fundraising committee will again need help from parents throughout the school. In particular, I am taking on more of a coordinating role due to increased work commitments. As such, I will have to ask the class representatives to take on more of the running of events held during the school day.

2017 Fundraising Projects

The following projects are to be completed this year if sufficient funds are raised (in order):

1. Lay 40th Anniversary Bricks
2. Landscape area on north side Module 4 (3/4 A & 4A classroom)
3. Refurbish the long jump pit
4. Build a new bike shed.
5. Upgrade school security system

If you would like to contribute to fundraising events, through volunteering at the event or helping organise an event, please contact me at fundraisingkhps@gmail.com. In particular, I am looking to set up a team to start organising the Market & Food Truck Night, please contact me if you are interested in helping organise this event.

Lindsay Layzell
Fundraising Coordinator
