

We have a school app

We are now using an app to send instant messages, newsletters and notices.

The tiqbiz app will help our school keep parents fully informed and up-to-date with newsletters, notices, news and events. It's easy to use and also has the benefit of helping reduce our paper consumption by printing less.

The first step is to download tiqbiz to your phone, tablet, computer... or all of them.

Search for: tiqbiz
