## **MESSAGE FROM THE ACTING PRINCIPAL**

What an action packed term it's been.....and we are only 4 weeks in! I can't see it slowing down any time soon; we've still got excursions, incursions, camps, interschool sport, report writing, as well as the exciting day to day programs happening in the classrooms...the list is never ending.

Before I get into everything else that is happening at our school at the moment, I wanted to share with you all that I have been asked to continue as your Acting Principal until the end of Term 2...Obviously, I accepted the offer and am excited to be staying on until the end of term.

### **NAPLAN 2019**

As many of you are aware, this week across the country students in Years 3, 5, 7 and 9 were assessed using the standardised national tests in Reading, Writing, Language Conventions (Spelling, Grammar and Punctuation) and Numeracy. ....otherwise known as NAPLAN. The data from this assessment is used as another form of evidence in 'inform future teaching focus', and ensuring we are meeting the individual needs of all students.

Remember that this assessment is a snapshot of what the student has achieved in specific areas on a designated day with a particular type of test; it is only one piece of the puzzle when we are looking at the whole child and what they are able to achieve.

Our endeavour was to provide an environment that allowed students to perform at the best on the day, and I think we achieved our goal; students gave their best effort on the day and were not anxious about the tests. I'm sure our students in Years 3 and 5 who participated in NAPLAN worked to the best of their ability on the day, and we can't ask for any more than that,

If history is anything to go by, we will receive the results towards the end of Term 3.

### **Australia's BIGGEST Morning Tea**

Many of us have been touched by Cancer. With Australia's Biggest Morning Tea happening next week (May 23<sup>rd</sup>), we thought it was appropriate that we host a morning tea ourselves. Please join us, make a donation, and help us do what we can do to help support those impacted by cancer.

Where: KHPS front lawn (weather permitting)

When: Thursday, May 23<sup>rd</sup>

Time: 11am

To ensure we have provided enough morning tea for everyone, could you please click on the link below to let us know if you will be attending:

<https://www.surveymonkey.com/r/PSBQH6C>

Look forward to seeing you there!

### **How often do you read?**

Did you know that if your child reads every day (or is read to) for just 10 minutes, they will be exposed to over 600,000 words in a year. 20 minutes a day results in more than 1,800,000 word exposure in a year! Dr Seuss wisely said *"The more that you read, the more things you will know. The more places you'll go."* Reading for a variety of purposes broadens a child's horizon and creates opportunities in the future.

We recommend that children read at home as often as possible (in an ideal world that would be every day). Sometimes it can be a fine line between providing the challenge for your child's reading to improve and making the reading task too arduous so the child loses interest. We want to ensure that your child develops their reading skills to their greatest level whilst maintaining a love of reading and literature. Some of the books your child chooses will be books that they are able to read by themselves, some will be more suitable for you to read together, and some will be best suited for you to read to your child. All these situations are valuable reading experiences for children.

### **Parent Reps,**

We are still waiting for some parents to volunteer as parent reps from:

Foundation C

3/4B

5/6A

If you are a parent in one of these classes and would like to volunteer, please let your child's classroom teacher or myself know as soon as possible.

### **Back Gates**

It has been brought to my attention that some of our community would prefer our back gates to be opened at the end of the day much earlier. Unfortunately, we cannot allow this due to safety reasons. The safety of our students is our upmost priority and to reduce foot traffic and random people walking through the school during school hours, we have instructed our "gate monitors" to not open the gates until after 3:15pm. This is a standard practice in all schools. On day of assembly the gates will be open from 2:50pm.

### **Election Time**

Unless you have been living under a rock, or stuck under a fridge that has fallen on you, you would be well aware that the Federal election is happening on Saturday. If you haven't already voted, come along to school Saturday morning to vote, buy a BBQ sausage, pick up something for afternoon tea from our cake stall, and know that we are lucky to live in a country that allows its citizens to choose who govern us...because in many parts of the world today not everyone is as fortunate.

### **PYP: What's it all about?**

Recently you would have received a compass link with information about our International Baccalaureate Primary Years Program (PYP). In a nutshell, the philosophy behind PYP is one that recognises a child's natural curiosity, creativity and ability to reflect. The learning environment is both stimulating and challenging....definitely not what it was like when I was at school! Units of inquiry interweave subject areas such as English, Mathematics, the Arts, Science and Social Studies. It encourages students to make their own connections between what they learn in core subject areas and how it relates to the world around them....and it's not based on worksheets!

If you want to find out what's happening in PYP in your child's class, ask them. If you get a grunt response (especially if they are pre-teen!), staff are going to commence sending home some conversation starters to help you delve a little deeper in to what is actually happening. These prompts will be sent home a number of times during each unit of inquiry.

### **Scholastic Book Fair**

Once again this year we will be hosting the Scholastic Book Fair. This is an opportunity for you to come along purchase some books and support our school library.

*When:* Monday 20<sup>th</sup> May – Friday 24<sup>th</sup> May

*Opening Times:* 8:30 – 9:00am & 3:00 – 4:00pm

*Where:* School library

### **Grandparent/Special Person day**

Next Wednesday (May 22<sup>nd</sup>) is an opportunity for our students to show their grandparents and other special people in their live how amazing our school is. Come and have a tour, visit the classrooms and share a Devonshire tea with us from 9:15am until 11:00am.

That's all from me this week. I look forward to seeing you around the school ground.

Megan

Acting Principal

## **7NEWS YOUNG ACHIEVER AWARDS**

This is a photo of Savannah S from 1/2 B.

Savannah is one of the youngest students ever to have been nominated for a 7 News Young Achiever Award.

**Savannah** has been fundraising since she was five. To raise money for Hair with Heart charity, by cutting off her 40cm long hair, Savannah's goal was \$500. Her final donation tally was \$3,004.

Congratulations Savannah from all of your KHPS Family.

## SOMERS CAMP

Eight of our year 6 students went on Somers Camp last week for 7 days. They joined 152 other students from different schools; making new friends, challenging themselves and opening their mind to new experiences. Please see some photos and their thoughts from their week below:

I made lots of new friends and it was really fun. My favourite part was the challenge swing because it was scary, and we had to take risks to go on it.  
- Jack Ishi

I had a great week and met lots of new people. The best part of the week was the high ropes course because it was although I am scared of heights, I challenged myself and completed it!

## NAPLAN

Year 5 completed the NAPLAN testing this week. They did a fantastic job and tried their very best within the time frame. As we reminded the students, it is just a snapshot of where they are on that given day and all we can ask is they try their hardest with all the questions. We are very proud of their maturity and their courage. Well done Year 5!

## YEAR 6 AGENCY

This week the year 6 students have had voice, choice and ownership over an inquiry topic that interested them. We initially brainstormed different topics which they didn't know much about and then collaborated with each other to present their knowledge and skills through a mini exhibition on Friday afternoon.

Some of the topics explored were: Saturn and the Solar System, Military, Butterflies, Norse Mythology, Support animals, Fishing, Bullying and much more. It was a very productive week with the year 6 students showing good self-management and thinking skills. They thoroughly enjoyed being able to have the space and time to work with other year 6 students across the level.

## JUNIOR MAYOR

Each year a Junior Mayor is elected in the City of Kingston. The election process involves local primary schools each nominating one pupil who makes a two-minute speech and the remaining students vote for the best presentation. The Junior Mayor, who receives junior mayoral robes, chains and \$200 from the Chelsea Rotary Club, is called on to assist the Mayor at a range of official Council events.

The Junior Mayor program has been running for over 50 years and is sponsored by the Chelsea Rotary Club. It aims to help educate and engage young people about how Government works and how they can get involved, while also providing support and experience to our budding future leaders.

Our school and vice captains represented KHP5 on Thursday 16<sup>th</sup> May. They wrote and delivered a speech about 'Sea Life Destruction' and the impact plastic bags and rubbish have on animal life in the ocean. Their presentation drew on the audiences' emotional heart strings and was very expressive and coherent. Well done Paige, Kosta, Hamish and Olivia for a fantastic effort; we are very proud of you! Thank you also to Vanessa Gill for driving the students to the venue.

Paige has now been voted onto the Kingston City Junior Council; good job Paige!

"We should stop buying products with Palm Oil to help the Orangutans." (Alexandra A 12A)

"We should turn off things that use electricity to help the Polar Bears." (Joey M 12A)

## LEARNER PROFILE ATTRIBUTE

Students have spent 4 weeks being an **Inquirer** (LP) and using their **Research Skills** (ATL) to inquire about different habitats, the animals that coexist within them, an endangered animal and an action they could take to help that animal. They have learnt about these habitats:

### Polar Ice

"In some polar regions trees and bushes cannot grow. Some animals live in the arctic and others live in Antarctica" – Theo Meek 12B

### Grassland

"In grassland habitats there's only two seasons which is wet and dry. In grasslands there are a lot of animals" – Maddison S 12C

### Temperate Forest

"There are lots of trees in a temperate forest. Sometimes it rains there but not as much as a rainforest." – Suvan G 12B

### Tropical Rainforest

"The rainforest habitat is home to tall trees and many plants. Rainforests have frogs, birds, lizards, monkeys, bats and sloths." Cassie K 12C

## Coordinator Update

Dear Families,

We would like to update you on a recent change to the staffing of the OSHC program. After many years with us, Patsy is going to be stepping down from her Coordinator position at Kingston Heath Primary School.

Patsy is going to take some time off to travel and be a grandmother. We are so thankful for all her years of service and wish her all the best with the next chapter of her life.

Patsy's last day at the program will be Friday the 24<sup>th</sup> of May, so please feel free to pop in and say goodbye

We are currently recruiting for a new Coordinator who will fit in with the Kingston Heath Community and will advise as soon as someone has been hired.

For all other enquiries, please contact our Customer Care on 1300 105 343. The team are available 24 hours a day, 7 days a week (except National Public Holidays).

## Celebrating Families

### Mother's Day and National Families Week

The month of May provides us with two great opportunities to recognize and celebrate the many different forms that families can take. Mother's Day is on **Sunday 12<sup>th</sup> May** and National Families Week is celebrated from **Wednesday 15<sup>th</sup> May to Tuesday 21<sup>st</sup> May**.

In Before and After School Care, children will be exploring the theme for National Families Week 2019, **"Stronger Families, Stronger Communities"**. Join us to celebrate all families and friendships!

Here's a few of the activities we have planned for the week starting 13<sup>th</sup> May:

Monday 13 <sup>th</sup> May	Tuesday 14 <sup>th</sup> May	Wednesday 15 <sup>th</sup> May	Thursday 16 <sup>th</sup> May	Friday 17 <sup>th</sup> May
Coloured sand art	Table tennis tournament	Dress ups	Lego building	Chalk paint art works.

**When** - Mother's Day is on Sunday 12<sup>th</sup> May. National Families week is May 15<sup>th</sup> to May 21<sup>st</sup>.

**Where** - Your child's school OSHC room.

**How to register** - You must be registered to attend. Registration is **FREE!** You can register an account via our website [www.campaustralia.com.au](http://www.campaustralia.com.au).

**How to book** - Once registered, it's easy to make and manage your bookings online via our parent portal [pp.campaustralia.com.au](http://pp.campaustralia.com.au). We always recommend making your bookings in advance.

If you would like to learn more about our OSHC service, please visit us before or after school and Patsy our program Coordinator, will be available to answer any questions. If you prefer to call us, you can contact our friendly Customer Care Team on 1300 105 343. The team are available 24 hours a day, 7 days a week (except National Public Holidays).

We look forward to celebrating families and friendships with you!

## **From the SAKG**

A big thank you to the Watson family and grandfather that worked over the school holidays to help make the chicken coop look fantastic, and to all the families that came over the holidays to feed and water the hens and the garden. It is very much appreciated.

Also a warm welcome to Joe who has been very busy beautifying the garden, it's looking amazing.

Kind Regards

Our photographers capture fun, variety and those special family moments. Each session includes photos of different members of the family, children, parents, grandparents and relatives - whatever you request. Immediately after your photo session, you join one of our viewing consultants to view, choose favourites and select your fundraising print. Members of the community outside your organisation are encouraged to also book an appointment; their contribution will be donated to the hosting organisation.

Only 1 booking per family/group. Each person can only appear in one \$15 fundraising photo but can appear in all other photos in any session. If you miss your appointment or are late, your booking will be forfeited. Therefore, we recommend you arrive five minutes before your session starts. There are no refunds for no-shows or late bookings. However, take comfort in knowing that this money will still be donated to the hosting organisation's fundraising efforts.

On the day, we also offer opportunities to purchase additional photos in digital format and order professional prints. If you cannot make the date of this event and would love some photos, then please contact us directly on 03 8689 0033 for further information. Some schools only offer indoor or outdoor photo sessions so please check your online booking schedule.

### **Six Moments in Kingston**

Curated by David Cross and Cameron Bishop

Six Moments in Kingston is a multidisciplinary public art project unfolding across the City of Kingston, led by six contemporary artists with over 200 local participants. Six extraordinary local stories drawn from the period 1976-1981 form the genesis of six installations, each set in the site of the original story. The project is experienced via a public art bus tour, with on-board broadcasts and the occasional stop to interact with the artworks. Artists are drawing from multiple arts disciplines including performance, video, animation, sculpture, music, textile art and craftivism.

#### **Stories:**

- The mysterious disappearance of pilot Fred Valentich and his plane following sightings of a UFO
- The story of Julie Cooper, Moorabbin's first female mayor
- A celebration of local Parkdale rocker Rick Springfield's worldwide number one hit, Jessie's Girl
- Two local protests that mirrored national and international protest movements
- The infamous headbutting incident between troubled VFL footballer Phil Carman and umpire Graeme Carbery
- And the contentious demolition of historic manor, The Grange

**Artists:** Field Theory, Laresa Kosloff, Shane McGrath, Spiros Panigirakis, Steve Rhall, Tal Fitzpatrick
