Friday 6 th	Foundation 2020 transition

This gorgeous photo was in the Herald Sun on

Saturday.

It is of our very own Ella Keele from Year 3 at the Cat café in the City.

MESSAGE FROM THE PRINCIPAL TEAM

Dear KHPS Families;

Every year across the country schools celebrate the joy and importance of reading through the CBCA (Children's Book Council of Australia) Book Week. Last week we celebrated Book Week's 2019 theme, *Reading Is My Secret Power*, and reading is truly a secret power: it takes us to other communities and fantasy worlds, supports us to acquire new knowledge, enhances your vocabulary and expression, and can affirm who we are. You may already be aware of the CBCA's website, Reading Time (<http://readingtime.com.au>), which reviews a wide range of fiction and non-fiction books for all ages from early childhood to adulthood.

Another very useful resource for families is an article published in The Conversation, *Six things you should do when reading with your kids* <http://theconversation.com/six-things-you-should-do-when-reading-with-your-kids-99637>. This article contains simple yet powerful evidence-based tips for reading **with** your child, an important strategy at school and at home from early childhood and even after a child becomes an independent reader.

Teachers at KHPS have been reading a professional text, *Reading with Meaning* by Debbie Miller. This professional learning is supporting our staff to make small shifts in teaching reading to better support and stretch the reading development of every child.

Gratitude

"Gratitude helps you to grow and expand; gratitude brings joy and laughter into your life and into the lives of all those around you." - Eileen Caddy

- Our English Action Team for planning and implementing learning around Book Week.
- Two of our parents, Fiona Keele and Maria Batras, as well as Karen Roberts and all staff, for the significant work they are putting into submitting applications to win grants that will support us to make improvements to our facility.
- To Deb Panakos, our Business Manager, and Paul Khazaal, a member of our School Council, for their skilful stewardship of our Finance Sub-Committee
- Our Foundation team offered our neighbours at Farm Road Pre School an open afternoon to come and see our Foundation classrooms.
- To all of our students who represented our school at various events and excursions with engagement and enthusiasm. You make yourselves and all of us proud.
- All staff for their hard work on Friday's Curriculum Day. Teachers engaged in a webinar with internationally recognised expert in school improvement, Andy Hargreaves, and participated in our school review. It was a productive day with new learning about ways in which our staff can work together to improve the achievement, engagement and wellbeing of our students.

Celebrations

"Alone we can do so little; together we can do so much." - Helen Keller

Kingston Heath Primary School had many moments of celebration this past fortnight. You can view these on our Official Kingston Heath Primary School Facebook page. A few notable celebrations were:

- There were many highlights of our Book Week Celebration. If you were able to join our Book Week Parade on Monday morning, we hope you had fun with us. I myself, saw many Harry Potters, different Superheros, and even a Pippy Longstocking. You may have noticed the staff dressed as a character from the Mr and Miss Men series. What fun!
- Our School Athletics for years 3 to 6 was a big success on Wednesday last week. We have many talented athletes at Kingston Heath Primary School.
- Also last week, one student from each year level attended a Writer's Conference at Beaumaris Secondary College.

And finally, we have a few important reminders for you:

Reminders

- School Production: KHPS' school production is coming upon us very soon. Our students and Mrs Fallon are looking forward to providing you a night's entertainment. To purchase tickets, please see the link provided in a recent COMPASS post.
- Road Safety Though Farm Road is not overly busy for a Melbourne city street, we still need to be mindful of road rules that are designed to keep us and our children safe. Please use the school crossing to cross Farm Road before and after school.
- Each year we ask a random selection of parents to complete the Attitudes to School Survey. If you were selected, you will have received an email with a link to the survey. If you have not already done so, please do take the time to complete this survey. It is one of the key pieces of data we collect from our parent community to help us shape our ongoing improvement efforts. I have been asked more than a few times whether this is truly a random selection, and I can state unequivocally that, yes, we follow an Education Department process to randomly generate the names of parents who will be invited to participate in the survey.
- In the next fortnight, students will receive and bring home from school their 2019 NAPLAN. Please watch the COMPASS feed for more information about 2019 NAPLAN
- Enrolments: If you have not already done so, please contact the front office to let them know if your child will **not** be at KHPS in 2020. These numbers underpin our planning and budgeting for 2020, processes that are beginning now.
- Our year 1 / 2 school working bee will be on Saturday 7th September 2019. Watch COMPASS for more information and a call for volunteers.

Have a fabulous and safe weekend, everyone! As always, please contact us if you wish to discuss your child's learning or other areas of concern or celebration at Kingston Heath Primary School. We very much believe that excellent student outcomes arise from strong partnerships..

Your Principal Team,

Sherri Lake and Karen Roberts

PRODUCTION NEWS

Tuesday 10th September - Kingston Town Hall

The students have been busy script-writing, choreographing dances and rehearsing songs. Every class has a song or a dance that will be part of our production, "The School Inspectors".

Ticket sales have commenced, please keep the evening free (start time to be confirmed).

Rachel Fallon

Performing Arts Teacher

Welcome to the PYP Corner! In this section you will be updated on any PYP related topics, student action, answers to PYP questions, etc.

Transdisciplinary Themes

One of the most significant and distinctive feature of the IB Primary Years Programme is the six Transdisciplinary Themes.

These themes are about issues that have meaning for, and are important to, all of us. The programme offers a balance between learning about or through the subject areas, and learning beyond them. The six themes of global significance create a Transdisciplinary framework that allows students to “step up” beyond the confines of learning within subject areas. The programme focuses on the development of the whole child as an inquirer, both in the classroom and in the world outside.

- Who we are
- Where we are in place and time
- How we express ourselves
- How the world works
- How we organize ourselves
- Sharing the planet

The **six transdisciplinary themes** help teachers to develop a programme of inquiry that allow for in-depth investigations into important ideas and requiring a high level of involvement on the part of the students. These inquiries are substantial, authentic and usually last for several weeks.

Please don't forget to ask your child's class teacher what they are inquiring into next.

Charlotte Birbeck (PYP Co-Ordinator and 5/6 Teacher)

Year 5 and 6 Learning Update

Date	What's happening...	Central Idea	Learner Profile attribute/ ATL focus	English	Maths	Reminders

Table Talk Question

“What are the UN Goals and why were they implemented? What do they look like in Australia and what do they look like in another country?”

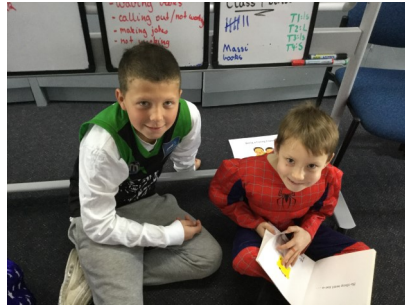

Science Week (12-16 August)

During Science Week, 5/6 C enjoyed learning about Science with the highlight being participating in Science experiment. Students were required to predict, observe and record the effects that coating a small piece of paper in water or ethanol have on the time and intensity of the burning rate. Everyone was excited to watch and learn about what happens when paper is dipped in ethanol, which creates a spectacular high intensity blue flame, burning off the ethanol before burning the paper. We would like to thank our Pre-Service teacher, Mrs Bronwen Lasky for all her effort over the previous three weeks and especially her passion for teaching Science.

Book week

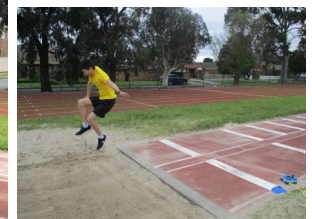

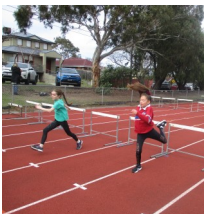

As part of the year 5/6 homework last week, students prepared a picture story book, comprehension questions and an activity to share with their buddies and pals.

House Athletics

On Tuesday 20th August, all 3-6 students participated in the senior House Athletics at Dolomore reserve. A Great day was had by all, a little chilly but the sun was shining! Thank you to all those who volunteered their time, we really appreciate it.

Congratulations to all who participated and represent their house with enthusiasm and pride. Good luck to all those who are representing KHPS at District athletics on Friday 6th September.

Year 3/4 Learning Update

Date	What's Happening?	Central Idea	Learner Profile attribute/ ATL focus	English and Maths focus
This week..	Grade 3-6 Athletics Curriculum Day	Natural disasters generate change (How the world works)	LP Attribute Knowledgeable ATL Focus	English: Book week activities with grade two Maths: Shape
Next week...	IMAX and Museum Excursion Concert Rehearsal	Natural disasters generate change (How the world works)	LP Attribute Inquirer ATL Focus Research Skills	English: Inferring Maths: Shape (continued)

Each fortnight we will include a question that you and your family can discuss.

Table Talk Question: Have you ever been to the Melbourne Museum? What was your favourite exhibit?

Don't forget to play Word Mania! The competition final is during Week 7!

Book Week

On Monday 19th of August, the whole school dressed up in costumes for book week. All students who participated did a fantastic job dressing up and the parade in the morning was enjoyed by all. After recess the students from grade two came to learning centre three to read with the grade three and four students and complete some lessons that the 3/4 students had prepared for them. The 3/4s showed great leadership and prepared excellent lessons for the grade two students.

Athletics Day

On Tuesday students from grades 3-6 participated in our house athletics day. We went to Dolamore reserve and students competed in track and field events. Everyone had a great day there and it was fantastic to see students competing in their chosen events with lots of enthusiasm.

Kitchen Garden

During kitchen garden last week, grades 3 and 4 made a delicious meal of falafel, pita bread, hummus, tabouli and lemon slice. Students have been enjoying their time in the kitchen this year and have developed their knife skills and knowledge of the ingredients that we use in the kitchen. The kitchen garden program provides students with great opportunities to work independently and develop skills that they will continue to use for years to come.

Student Reflections for Kitchen Garden:

'I liked making the lemon slice and it was my favourite part of the meal.' - Hannah A

Year 1/2 Learning Update

Date	What's happening...	Central Idea	Learner Profile attribute/ ATL focus	English	Maths	Reminders
5/8	We will finish our UOI, How The World Works.	Natural forces are at work everywhere.	LP: Thinker and Knowledgeable ATL: Thinking skills and Social skills	Students have created a 'Mem Fox' poster to demonstrate their knowledge and learning on her books. They have also finalised writing their procedural text about natural forces.	Students have been focusing on fractions this week, extending their knowledge of parts of a collection and word association to the number for a corresponding fraction.	Please bring in any food or shopping catalogues as we will be using these in the coming week for activities.
12/8	We will begin our new UOI, How We Organise Ourselves.	Individuals can develop healthy money habits.	LP: Thinker and Balanced. ATL: Self-management skills and Research skills.	Students will be writing reflections and questions.	Students will complete a post-test on fractions and a pre-test on shape. Shape will be the focus over the next few weeks.	

STUDENT AGENCY AND LEARNER PROFILE

Students have selected a force to focus on, such as gravity, push, pull or a magnetic force to inquire about for their Summative Assessment Task. This has been a great opportunity for students to choose and explore a force of their choice with a partner. Students have been **Resilient** by trialling their different experiments, changing materials and designs, and recording their fails and successes along the way. There has been an abundance of creative thinking come to life through designing, trialling and modifying their creations!

Kitchen and Garden

Students participated in a nature walk, discovering what they can find in the great outdoors. This was a highlight of the week with students taking home a treasure box of natural items from our environment. We also learned about how our actions effect the planet, discussing what makes a 'happy' and a 'sad' planet earth. The discussions were vigorous, with students displaying their affection for our planet and its future.

Book Week

We had a fantastic Book Week, with all students looking amazing in their costumes, dressing up as their favourite characters. Fun activities were had with Year 1 working with their Year 5 pals and Year 2 working with Year 3 and 4 to kick start the Book Week festivities and short listed books were shared and read together. We encourage all students to keep up the great reading and add to their Premiers' Reading Challenge list.

Table Talk Time

Some things you could discuss...

Why do we spend money on goods and services?

Why are our economic choices important?

The importance of understanding the difference between needs and wants.

Foundation Learning update

Date	What's happening...	Central Idea	Learner Profile attribute/ ATL focus	English	Maths	Reminders

Table Talk Time

This section is for families to use as a prompt to have discussion about of our unit of inquiry, over the dinner table.

‘Discuss: what is your favourite season of the year and why?’

Girls and Boys District Basketball
was at the Springers Leisure Centre
on Monday the 12th of August

Thank you to Bree Vallance for supplying the uniforms, coaching and scoring for the boy's team. Thank you to Evan Vallance for coaching the boy's team. Thank you to Mrs Carter and Mrs Lasky for coaching and scoring for the girl's team. Each team played 8 games from 10am to 2:15pm.

Well Done to all the basketball players as they tried their best, defended well, passed among their team, showed great sportsmanship and they kept asking when they were going back on the court. The boy's team won 2 games and the girl's team drew 1 game. It was a tough competition but the players all had fun and they made the school proud of their persistence, resilience and team work.

**Hamish, Jack, Ethan, Miles, Charlie, Noah,
Jack, Ryan and Darci**

**Poppy, Riley, Jamie, Claire, Catherine,
Jamie, Ainslie, Allegra and Olivia**

FOODIE MONDAY/FRIDAY

Foodie Monday/Friday (the old Earn and Learn) is well and truly underway.

Sausage rolls, pies and pasties are available for the children to purchase.

****Please note the price increase**.**

Sausage rolls now cost **\$3.00**

and pies/pasties now cost **\$4.00**

Yoghurt ice-creams will again be on sale for \$2.00

Please note if there is a Munchy Monday FUNdraising lunch on, there will be **NO** Foodie Monday running that day.

Scholastic Book Club

Issue 6, 2019 of the Scholastic Book Club has been sent home. Orders are due back by Thursday 5th September.

It is easy to order. The Book Club LOOP platform for parents allows you to pay by credit card. Your child's order is submitted directly to school safe and sound and the books will be delivered to class. You can place your child's order at scholastic.com.au/LOOP or using the LOOP app, which can be downloaded from the App Store or Google Play.

If you don't wish to use LOOP, you can fill in the order form at the back of the leaflet and return to the school in an envelope labelled with your child's name and class, with the correct money enclosed.

(No change can be given.)

The school earns 20% of sales which we then use to purchase books for the library and classrooms.

Sam May

Librarian

WORKING BEES ARE RETURNING TO KHPS

We can't wait to restore that sense of pride in our outdoor learning environments.

Are you handy in the garden, able to undertake some pruning, capable of distinguishing between a plant and a weed?

Perhaps you can undertake some sweeping or spread some much needed garden mulch?

You might prefer to clean a drink trough?

Skilled labour would also be appreciated....can you lay a garden sleeper, build a bike shed, remove some pavers or prepare an area for future paving?

We encourage all families to attend and participate. You will meet new people and be part of our wonderful community, whilst maintaining and creating a wonderful school environment.

We will be holding Level Working Bees from 9.00 -11.00am on the following dates:

Level 1/2: Saturday 7th September

Level 3/4: Saturday 2nd November

Level 5/6: Saturday 7th December

We would love you to diarise the date.

We have many jobs to get through and all of our hard workers will be rewarded with some light refreshments at the end.

Don't worry if you have never been to a Working Bee, we will show you how!

Come and get your hands dirty while doing an act of kindness for our school.

Karen Roberts
Assistant Principal

To book, visit:
www.campaustalia.com.au
or call 1300 105 343

Join the fun. It's **FREE** to Register!

At Camp Australia we have been Making Kids Smile for over 30 years. Each day before or after school, we provide safe, meaningful and affordable care that help families balance life and work responsibilities.

Our Outside School Hours Care program is tailored to the individual needs and interests of children who attend, so we can further their experiences and interests, and ensure they feel at home with us.

Registration is **FREE!**

To attend our care, families must register their child. Why? Registering your child means we have all the information we need to safely care for them.

So, we recommend all families to register an account with us. That way, if you ever need us, you just have to book a session, as we already have all the documentation we need from you.

How to Register an Account:

Head to pp.campaustalia.com.au/account/login. We will need the following information:

- Your details and emergency contacts.
- Details about your child, and if any allergies or medication conditions.
- Your CRN (Customer Reference Number) from the Family Assistance Office. *
- Child Immunisation Certificates
- Payment method and any other details.

Program Details

For more information visit us in service and chat with our qualified Educators. Alternatively, you may visit our website www.campaustalia.com.au or contact our friendly Customer Care Team on 1300 105 343 who are available 24 hours a day, 7 days a week - except National Public Holidays.

We look forward to seeing you and your family soon!

From the Team at Camp Australia

* If eligible, to help you with the cost of child care, you may be entitled to receive the Australian Government Child Care Subsidy.

we make kids smile

Kingston Heath Primary School offers Private and Group Instrumental Music lessons during school hours.

Lessons are conducted by local music school Poco Music. Instrumental lessons are offered in Piano, Ukelele, Guitar, Bass, Drum kit, Brass, Woodwind, Strings and Singing. Lessons are taught by fully qualified teachers in a fun environment.

At Poco Music we believe every child deserves the right to start out life with a quality music education.

Lessons offered are private 30 min classes catering to the students' individual needs.

Group lessons of 2 students is offered for all instruments, excluding piano and drums.

Lessons are taught in a fun environment focusing on learning how to read music notation, working through method books and learning fun contemporary songs that engage students.

We also prepare students for AMEB and ANZCA music exam grading.

Once Students are competent with playing a few chords and notes Rock Bands will commence and rehearse weekly at lunchtimes and afterschool.

***COST of lessons: \$38.00 Private 30 min lesson
\$28.00 Private 20 min lesson
\$25.00 per child for a dual 30 min lesson***

If you would like to enroll your child for lessons please fill out our enrolment form online at www.pocomusic.com.au

For more enquiries please email us at: admin@pocomusic.com.au or call our office on [9584 7341](tel:95847341)

Please be sure to like our Facebook page for more information on Lessons and Bands.

ENTERTAINMENT BOOK

Hi KHPS families,

Thank you to everyone that has ordered their Entertainment Book membership, your support is greatly appreciated!

As of the 1st June, you can start using your 2019/20 vouchers.

If you are still contemplating ordering a membership but are unsure, there is a sample copy in the office that you can flick through.

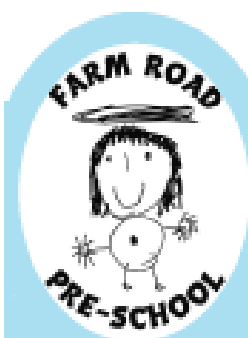

Don't forget, if you are heading interstate, you can get a membership for that destination and with the next school holidays just around the corner, the Entertainment Book is a great money saver and also takes you places that you may never have considered going to, win win .

Click on the following link to place your order:-
