## IMPORTANT DATES

<b>September:</b>	
Friday 20 <sup>th</sup>	Final day of Term 3 – 2.30pm dismissal
<b>October:</b>	
Monday 7 <sup>th</sup>	Term 4 commences
Wednesday 9 <sup>th</sup>	School Council sub committee
Friday 11 <sup>th</sup>	Special Friends Book Fair Year 1 fun night & Year 2 sleepover
Wednesday 16 <sup>th</sup>	School Council meeting
Friday 18 <sup>th</sup>	Foundation 2020 transition School disco

The longest line competition was a huge hit across the school as part of our 'Sports Day'

5/6 Students completing their Peace Day Challenge as part of International Peace Day on Saturday 21st September

## MESSAGE FROM THE PRINCIPAL TEAM

Dear Families,

It is so difficult to believe that we are already at the end of term 3. Everyone has worked very hard and as a result experienced much growth and many successes.

**SAVE THE DATE:** On **Tuesday 12 November 2019 at 6.30 p.m.** we are hosting a Parent Engagement Evening. This evening will provide our KHPS families one opportunity to participate in our school self-evaluation as part of our School Review. We will be focusing on three areas of the Department's Framework for Improving Student Outcomes: Community Engagement in Learning, Excellence in Teaching and Learning, and Positive Climate for Learning. More details surrounding this event will be published early next term. Our school self-evaluation will help to inform decisions relating to priority-setting, initiatives, strategies and actions for improvement. We hope to see you there!

### Gratitude

*"Gratitude helps you to grow and expand; gratitude brings joy and laughter into your life and into the lives of all those around you." - Eileen Caddy*

We had a fabulous turn-out of volunteer parents, staff and students at our recent Year 1 / 2 Working Bee. You may have noticed the gardens throughout our school grounds starting to come alive with the care they are being provided. Many thanks to Ms Roberts and all of our volunteers for making this happen.

Our School Council and Sub-Committee members for giving so freely of their time and expertise to enhance our school community and programs.

Our staff and parent volunteers for all of their behind-the-scenes work on our school production, *The School Inspectors*.

All of our Class Parents for the work you do to ensure our fundraising initiatives and special events are successful, and for supporting our teachers in any manner of ways. KHPS benefits enormously from your efforts.

Our Mrs Carter and Mr O'Connor for their work organising District Athletics.

Finally, our students and staff would like to thank and farewell the creative and supportive Mrs Carmen Wright. Be sure to visit the library early in term 4 to see one of Mrs. Wright's artistic student-led legacies.

### Celebrations

This week we received our inspection report from the International Baccalaureate Organisation, the organisation who monitor our implementation of the Primary Years Program (IB PYP). Kingston Heath Primary School received 14 Commendations, including a commendation for our approach to promoting a climate of understanding and respect involving all members of the school community. We also received some recommendations that we will address as part of our planning for 2020 and beyond, including a focus on strengthening our inquiry learning approach. The Primary Years Program requires our staff to be continuously improving in their use of highly effective learning and teaching practices. More importantly, the IB PYP is an evidence-based framework that supports our students to achieve their very best in their learning and as active members of our school, local and global communities in a changing world. It is a perfect fit with our KHPS School Vision:

*At Kingston Heath Primary School a quality learning environment gives students, staff and the community confidence to strive for excellence as active and positive members of a global village.*

It was inspiring to see so many of our athletes out there competing in **District Athletics** this week. Our students can be proud of their ribbons, bringing their best selves to every event, and also being excellent ambassadors for Kingston Heath Primary School. Congratulations to all of our athletes!

What a production! The School Inspectors was a smash hit, thanks to our entire KHPS community. Students can be extremely proud of their writing, dancing and acting, as well as their set design and prop creation. This event was a fine example of our community living out our PYP Learner Profile Attributes: taking risks as learners, expressing ourselves with confidence and creativity, reflecting upon our personal and collective strengths, and working interdependently with others. Well done, everyone!

This week we received the results of our Parent Opinion Survey. We had some positive feedback from the randomly selected group of parents who completed this year's survey including;

80% of our parents view as positive our efforts to increase **student agency and voice** and 83% of our parents view as positive our approaches to enhancing **student motivation and support** (Excellence in Teaching and Learning)

Our parents view as positive our approaches to **promoting positive behaviour** (86%) and **respect for diversity** (88%) (Positive Climate for Learning)

91% of our parents view as positive the **opportunities the school provides to participate in their child (ren)'s education** and 94% **feel comfortable approaching KHPS with their concerns** (Community Engagement in Learning)

## Reminders

With the holidays upon us, we ask everyone to be mindful of road safety, whether walking, cycling or driving.

As an IB PYP school, we expect everyone in our community to act in accordance with the PYP Learner Attributes, which together represent demonstrating an attitude of respect, working together and having a growth mindset. We discuss these attributes with our classes, at assembly, and sometimes with small groups of students in supporting them to reflect on specific successes and challenges. In this newsletter, you will find a description of the different attributes, for your reference and discussion at home. You may even decide to hang a copy on your fridge!

Have a wonderful school holiday, everyone. Wherever you go and whatever you do, have fun and above all, be safe. We look forward to seeing you back for Term 4 on Monday 7 October 2019.

Your Principal Team

Sherri Lake and Karen Roberts

# IB learner profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

## INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

## KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

## THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

## COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

## PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

## OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

## CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

## RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

## BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

## REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

## The table below shows our fundraising efforts so far for 2019!

Welcome to the PYP Corner! In this section you will be updated on any PYP related topics, student action, answers to PYP questions, etc.

## CONGRATULATIONS!

This week the school received their report from the IB (International Baccalaureate) with regards to their visit earlier this term. The report was very successful and complimentary of our community and the hard work of all those involved.

The report is divided up into recommendations, standards met and standards exceeded (commendations). Overall, we met the standards required by the IB and they gave us some recommendations as to how we can continue to enhance and embed the PYP curriculum within our school.

What we were most excited about were the 14 commendations that we received; these are very rare and often not given to schools. We were congratulated on the amount and particular nature of the commendations. Some of these commendations were:

- Communication and ongoing commitment to PYP
- The school promotes a climate of understanding and respect involving all members of the community
- The written curriculum (Program of inquiry and units being taught) is available to the school community
- There is a teaching and learning focus on addressing diverse language needs within the school
- The school consistently understands and implements differentiated practice to support diverse learning needs and interests
- The school creates opportunities for students to work independently or collaboratively
- The school uses effective assessment strategies to provide feedback to students

Thank you to everyone in the KHPS community!

Charlotte Birbeck (PYP Co-Ordinator and 5/6 Teacher)

# Year 5 and 6 Learning update

Date	What's happening...	Central Idea	Learner Profile attribute/ ATL focus	English	Maths	Reminders
16/09	This week...	Communities can make global connections	<u>LP:</u> Knowledgeable  <u>ATL:</u> Research skills	G6 - Exhibition focus with LOI, concepts, etc  G5 - What is action? Inquiry into Australian Foundations	Number Fluency and Place Value	Please see separate Compass Feed for 5/6 'Housekeeping' and important dates.

## Table Talk Question

“What is action? How might effective action make an impact? Why is it important to take action? What action might we take over the holidays?”

## In-school incursions

This week we were fortunate to have two volunteers come in and talk to us about what their organisations do to take action on our environment and planet. On Tuesday, we had Sea Shepherd, an international, non-profit marine conservation organization that campaigns to defend, conserve and protect the world's oceans. Students learnt about bio-catch and that over 30% of what is caught is killed and not part of what needs to be caught.

On Wednesday, we had Rory Sackville a Corporate Responsibility Specialist from RACV, he spoke with us about how companies are working towards operating under a shared responsibility, which means organisations feel they have a shared responsibility to give back to communities.

## **R U OK? Day**

On Thursday 12th September, year 5/6 students inquired into potential struggles they may face in life and strategies/action on how to work through them. Some of the struggles and strategies they came up with are below:

<u><b>Potential struggle</b></u>	<u><b>Possible Strategies/Action</b></u>
<ul style="list-style-type: none"> <li>Not exercising enough</li> </ul>	<ul style="list-style-type: none"> <li>Eat healthy</li> <li>Listen to music while exercising</li> </ul>
<ul style="list-style-type: none"> <li>Being bored</li> </ul>	<ul style="list-style-type: none"> <li>Stretch</li> <li>Take a break from doing things that bore you</li> </ul>
<ul style="list-style-type: none"> <li>Moving schools</li> </ul>	<ul style="list-style-type: none"> <li>Visit your old school often</li> <li>Try to make new friends</li> </ul>
<ul style="list-style-type: none"> <li>Not understanding school work</li> </ul>	<ul style="list-style-type: none"> <li>Ask the teachers</li> <li>Look around the room for strategies or prompts</li> <li>Keep trying and ask a friend</li> </ul>

We make time to ask  
**R U OK?**

## **International Peace Day**

On Saturday 21st September, it is International Peace Day. The General Assembly has declared this as a day devoted to strengthening the ideals of peace, both within and among all nations and peoples. This year, the theme is Climate Change, goal 13 of the UN Sustainable Development Goals.

As part of this day, we gave the year 5/6 students a Peace Day Challenge. They were given 50 Acts of Peace to complete and understand the importance behind them. Some of the acts completed were: learn to say "Peace" in 5 languages, write a peace poem, hug a tree, design a gratitude card for someone, and so many more.

# Year 3/4 Learning Update

Date	What's Happening?	Central Idea	Learner Profile attribute/ ATL focus	English and Maths focus
This week..	Sports Day District Athletics	Colonisation can transform cultures.  (Where we are in place and time)	<b>LP Attribute</b> Open Minded  <b>ATL Focus</b> Communication Skills	<b>English:</b> Summarising  <b>Maths:</b> Maths Inquiry Task
Next week...	Term 3 School Holidays	Colonisation can transform cultures.  (Where we are in place and time)	<b>LP Attribute</b> Perspective  <b>ATL Focus</b> Research Skills	<b>English:</b> Reading  <b>Maths:</b> Times tables practice

Each fortnight we will include a question that you and your family can discuss.

**Table Talk Question:** What was your favourite holiday activity when you were at school?

## KHPS School Concert

On Tuesday 10 September, grade 3/4 students participated in the KHPS school concert. Our 3/4B and D groups did a fantastic Indigenous inspired dance to the songs Treaty and Solid Rock and our groups 3/4A and C danced using poise balls in what was an impressive light display. The students put a lot of effort into learning their dances for the concert and really enjoyed the night.

## Sports Day

On Tuesday 17 September, we celebrated a school wide sports day. Students were encouraged to dress up in their favourite sporting outfits, with AFL, Soccer and basketball outfits being popular choices. Grade 3/4 students participated in sports day activities with the grade two students including basketball shooting, soccer, handpassing and kicking practice and dodgeball. Our classes also participated in a 'Longest Line' competition, where students were asked to bring multiple small denominations rather than a gold coin donation to form a long line of coins. All of our 3/4 classes did a fantastic job bringing lots of coins to raise money for the Peter McCallum Cancer Centre.

### Student Reflections for sports day:

'I liked doing the golden child game on the basketball court.' - Sabrina C

'My favourite game on sports day was beanbag race with Miss Barkas' - Ahana M

# Year 1/2 Learning Update

Date	What's happening...	Central Idea	Learner Profile attribute/ ATL focus	English	Maths	Reminders
16/9	We will continue our UOI, How We Organise Ourselves.	Individuals can develop healthy money habits.	<b>LP:</b> Thinker and Balanced.  <b>ATL:</b> Self-management skills and Research skills.	Students have been researching and writing about their selected passion, for their passion project.	Students have completed their post-test on Shape. They have been learning about graphing and how to use data.	Please bring in any food or shopping catalogues after the holidays as we will be using these in Term 4.

## Table Talk Time

### *Some things you could discuss...*

How can services be different from each other?

Why do we fundraise in society and what can we do to fundraise?

The importance of understanding how money choices can differ for individuals.

## Passion Project

Students have enjoyed researching for their Passion Projects this week. Students have chosen a topic of interest that they would like to further inquire about, being **thinkers**, having to carefully consider what to research. It is fascinating the topics students have chosen to focus on, with such a diverse range of interests such as the solar system, horses, Lego and crafts.

## Student Agency and Learner Profile

Students have been learning about the **Zones of Regulation** which focuses on our emotional and social wellbeing. This week we have learnt about calming down strategies and relaxation techniques. Students have learnt and tried different strategies to see what works best for them, to get them to a better headspace when upset, frustrated or stressed. Students were **open-minded**, and participated in all strategies to find the best one for them.

## Sports Day

On Tuesday we celebrated Sports Day. Students represented many different sports such as; basketball, rugby, dance, soccer, AFL and cricket. We had a fantastic time playing a range of sports activities with other Year levels. We also created some cool sports jerseys, designing our own team logos!

Friday 20 <sup>th</sup>	Last day of Term 4, 12.45pm special candle ceremony assembly. 1.30pm dismissal. Free dress except for Year 6

## WORKING BEES ARE RETURNING TO KHPS

We can't wait to restore that sense of pride in our outdoor learning environments.

Are you handy in the garden, able to undertake some pruning, capable of distinguishing between a plant and a weed?

Perhaps you can undertake some sweeping or spread some much needed garden mulch?

You might prefer to clean a drink trough?

Skilled labour would also be appreciated....can you lay a garden sleeper, build a bike shed, remove some pavers or prepare an area for future paving?

We encourage all families to attend and participate. You will meet new people and be part of our wonderful community, whilst maintaining and creating a wonderful school environment.

We will be holding Level Working Bees from 9.00 -11.00am on the following dates:

**Level 3/4: Saturday 9th November**

**Level 5/6: Saturday 7th December**

### **We would love you to diarise the date.**

We have many jobs to get through and all of our hard workers will be rewarded with some light refreshments at the end.

Don't worry if you have never been to a Working Bee, we will show you how!

Come and get your hands dirty while doing an act of kindness for our school.

## Join the fun. It's **FREE** to Register!

At Camp Australia we have been Making Kids Smile for over 30 years. Each day before or after school, we provide safe, meaningful and affordable care that help families balance life and work responsibilities.

Our Outside School Hours Care program is tailored to the individual needs and interests of children who attend, so we can further their experiences and interests, and ensure they feel at home with us.

**Registration is FREE!**

To attend our care, families must register their child. Why? Registering your child means we have all the information we need to safely care for them.

So, we recommend all families to register an account with us. That way, if you ever need us, you just have to book a session, as we already have all the documentation we need from you.

### How to Register an Account:

Head to [pp.campaustalia.com.au/account/login](http://pp.campaustalia.com.au/account/login). We will need the following information:

- Your details and emergency contacts.
- Details about your child, and if any allergies or medication conditions.
- Your CRN (Customer Reference Number) from the Family Assistance Office. \*
- Child Immunisation Certificates
- Payment method and any other details.

### Program Details

For more information visit us in service and chat with our qualified Educators. Alternatively, you may visit our website [www.campaustalia.com.au](http://www.campaustalia.com.au) or contact our friendly Customer Care Team on 1300 105 343 who are available 24 hours a day, 7 days a week - except National Public Holidays.

We look forward to seeing you and your family soon!

From the Team at Camp Australia

\* If eligible, to help you with the cost of child care, you may be entitled to receive the Australian Government Child Care Subsidy.

Safety • Meaningful • Innovative • Leadership • Education  
*we make kids smile*

Kingston Heath Primary School offers Private and Group Instrumental Music lessons during school hours.

Lessons are conducted by local music school Poco Music. Instrumental lessons are offered in Piano, Ukelele, Guitar, Bass, Drum kit, Brass, Woodwind, Strings and Singing. Lessons are taught by fully qualified teachers in a fun environment.

At Poco Music we believe every child deserves the right to start out life with a quality music education.

Lessons offered are private 30 min classes catering to the students' individual needs.

Group lessons of 2 students is offered for all instruments, excluding piano and drums.

Lessons are taught in a fun environment focusing on learning how to read music notation, working through method books and learning fun contemporary songs that engage students.

We also prepare students for AMEB and ANZCA music exam grading.

Once Students are competent with playing a few chords and notes Rock Bands will commence and rehearse weekly at lunchtimes and afterschool.

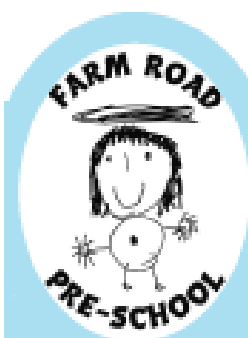

***COST of lessons: \$38.00 Private 30 min lesson  
\$28.00 Private 20 min lesson  
\$25.00 per child for a dual 30 min lesson***

If you would like to enroll your child for lessons please fill out our enrolment form online at [www.pocomusic.com.au](http://www.pocomusic.com.au)

For more enquiries please email us at: [admin@pocomusic.com.au](mailto:admin@pocomusic.com.au) or call our office on [9584 7341](tel:95847341)

Please be sure to like our Facebook page for more information on Lessons and Bands.
