

### PARENT PAYMENT ARRANGEMENTS 2021

Dear Parents & Carers,

We are writing to advise you of Kingston Heath Primary School's parent payment arrangements for 2021.

Please find the fee schedule for all students in Foundation to Level 6 attached.

Kingston Heath Primary School makes every effort to keep the cost of items and activities to a minimum and affordable for all parents.

The events of 2020 have had significant impacts on our students, staff and school communities. In accordance with recent Department advice, there are three priorities our school (and every school) must deliver over the remainder of this year and into 2021. These are designed to support every student, every member of staff, and every community member to be healthy, active, connected and importantly to grow as learners.

- Learning catch-up and extension: Some of our students have thrived in the remote and flexible learning environment, others have maintained their learning progress, and some have fallen behind, despite their best efforts and those of their families and teachers. We will support both those who need it to catch up and those who have thrived to continue to extend their learning. Additionally, we will support those cohorts who were most affected by the lack of usual transitions and establishment practices in 2020 e.g. 2021 preps and Year 1s, Year 7s and Year 8s to ensure successful transitions through their schooling and beyond.
- Happy, active and healthy kids: We will make sure we look after our students' mental health and enable every student to get back outdoors, get active and get creative. This means effectively mobilising available resources to support our students, especially the most vulnerable.
- Connected schools: We will build on the stronger connections that schools have established with their families, carers and communities through 2020 to embed and spread improved ways of working to support our students.

Parent payments are an essential part of ensuring we are well positioned to support our students in these areas.

### Financial Support for Families

Kingston Heath Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- **CSEF (Camps, Sports and Excursions Fund)**

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. A special consideration category also exists for asylum seeker and refugee families. The allowance is paid to the school to use towards expenses relating to camps, excursions or sporting activities for the benefit of your child.

Resources:

[CSEF Financial Assistance Information for Parents](#) can be found on the school website or available from the school office.

[CSEF Application Form](#) can be found on the school website or available from the school office.

- **State Schools' Relief**

You will get help with school uniforms if your child is starting Foundation or year 7 and is eligible for CSEF (see above). State Schools' Relief will provide basic uniform items or a voucher if your student meets the criteria.

Help may also be available if you are facing:

Health issues resulting in serious financial difficulty; house fires where school clothing is lost; natural disasters, or serious financial difficulty.
