

EXPRESSIONS OF INTEREST

The Montessori approach offers a broad vision of education as an “aid to life.” It is designed to help children grow from childhood to maturity. It succeeds because it draws its principles from the natural development of the child. Its flexibility provides a matrix within which each individual child’s inner directives freely guide the child toward wholesome growth.

Montessori classrooms provide a prepared environment where children are free to respond to their natural tendency to work. The children’s innate passion for learning is encouraged by giving them opportunities to engage in spontaneous, purposeful activities with the guidance of a trained adult. Through their work, the children develop concentration and joyful self-discipline. Within a framework of order, the children progress at their own pace and rhythm, according to their individual capabilities.

Kingston Heath Primary School is seeking expressions of interest from parents who wish to enroll their school-aged children in a Montessori program. The cost of the Montessori program is payable directly through Montessori Australia, and the annual school fees charged by Kingston Heath Primary School are payable directly to the school. The fee for the Montessori program is in addition to the fees and charges to enroll your child at Kingston Heath Primary School.

Please complete the slip below and return it, along with your enrolment form, evidence of prior enrolment in a Cycle 1 Montessori program, a copy of your child’s immunization and birth certificates, to Kingston Heath Primary School, no later than Friday, 04 August 2017.
